

Miami Jazz Cooperative Request for Use of MJC Piano

The Miami Jazz Cooperative has a Yamaha C2 grand piano for its exclusive use at the Open Stage Club in Coral Gables. Effective November 13, 2016, all requests for use of the MJC piano must be received by the MJC ten days prior to the requested use. If the request is approved, such approval will be conditioned on the MJC's receipt of payment of the required MJC use fee within one business day of the approval email from the MJC. The Open Stage Club is not authorized to approve the use of the piano without MJC approval. So don't ask.

The MJC requires payment of a \$100 fee for its piano maintenance/tuning fund unless one of the featured performers is an MJC Founder or Musician Member in which case the fee is \$50.

The only person authorized to tune the MJC piano is Ron Huneycutt (305-323-0838 or stretchtuning@gmail.com). If an approved user wants the piano tuned prior to the time of its use of the piano, it will be solely responsible for scheduling Ron Honeycutt and payment of his fees. No exceptions will be made if Ron Huneycutt is not available.

Name of organization requesting use: _____

Contact person: _____
